

G'day Mate,

Winter is finally over. We know how much you want to be out on the road again with your mates. And we would like to be part of that journey by making sure that you are well protected and riding safely.

Now's your chance to get 5% off on any of your online purchase at [RhinoLeather](#). We're rolling out this discount program exclusive for motorcycle clubs in Australia, use discount code **AUSMCC** at checkout.

And it gets better. If you sign up with Club Rhino, we'll add in an additional 2.5% sealing the deal for a total of 7.5% discount for all your members. Just need to fill out this quick [Club Rhino Application Form](#) and you're in!

Is this something you're interested in? Let me know and I'll create the special Discount Code for your club and send it to you shortly. Or is there someone else at your club I should speak to who usually takes care of stuff like this?

We still have a few spots left this week so don't miss them!

Lastly, any upcoming events or club activities scheduled? Please send us the details via email. We'll add them up on our Events Calendar (<http://www.rhinoleather.com.au/events>) and help promote them for you.

Hope to hear from you soon, let me know when you can cheers!

Best,

Janette
Rhino Club Ambassador
